Teton	542	429	4	975
Yellowstone	1,941	2,116	8	4,065

I have included the numbers for all the counties that are using the Montana Interactive permit program. Ravalli County has the highest amount of issued permits and the most activations in the state. The program is working very well, while diverting more than 25,000 calls from coming into our 911 Center.
