

Local Government Study Commission

March 10, 2016

**Roll Call:** Marilee Shockley, Alan Thompson, Sharon Schroeder, George Corn, Scott Boulanger

**Minutes:** No changes. George moved to approve the minutes from March 2<sup>nd</sup> as presented. Sharon seconded. All approved.

**Adoption of Final Report:** Alan talked with MSU. They suggested that within our report we need to have the final report adopted by March 11th and the ballot language given to Regina by March 14<sup>th</sup>. Alan asked for comments on the final report. Sharon and George both reviewed it again and feel it is ready for approval. All agreed. Sharon moved to adopt the final report as of the January 14<sup>th</sup> draft which was the last draft what we worked with. Marilee seconded. All approved. Printed and signed the final report. Alan asked Jonell to send a copy of the final report to MSU.

**General Business:** Sharon contacted town mailer and received a letter from them with the bid on it. The town mailer bid said we cannot use non-profit status for postage because it would have to say "Ravalli County Elections" in the address. With 22 cents postage we can estimate the mailing total to cost us \$8,247. Half of the cost would be postage. Sharon offered to stop by the bulk mail office and ask for an estimate. She will also go to the post office and check further on getting non-profit status.

George dropped off a ballot with Mr. Recht. Howard said he preferred his language but our draft would work also.

**Meetings:** Next meeting will be Wednesday, March 16<sup>th</sup> at 9:00am.

Sharon moved to adjourn. Marilee seconded. All approved. Meeting adjourned at 3:00 pm.
