► Minutes: Glenda Wiles

► Commissioner Greg Chilcott was in New Orleans at a NACo Public Lands meeting.

► At 8:00 a.m. the County Administrative Center held a Safety Table Top Exercise for the Administration Building which the Commissioners attended.

► At 9:00 a.m. the Board met with Forest Service Personnel, Hamilton Fire Chief Brad Mohn, 911 Supervisor Zae Hudson, and State DES Martha Smith. The Forest Service is working on fires that resulted from lightning strikes and those that are human caused. There is anticipation of lightning on the south end of valley today, they hope the storm comes with rain. Currently they are working on the Wapititi Fire in Darby Ranger Fire District. This is a lightning caused fire which is 21 acres on the Idaho side and is 50% contained. In visiting with fire chiefs in the valley, most don't feel a burn closure is warranted yet. The Forest Services transitioned into high fire danger on Sunday.

► At 9:30 a.m. the Board met to make a decision on a Commissioner appointment to the City of Hamilton Planning Board. Due to the absence of Commissioner Foss, **Commissioner Burrows made a motion to continue this meeting until 9:00 a.m. on Thursday, July 17th. Commissioner Iman seconded the motion and all voted "aye". (3-0)**
