Evacuated Person's in need of Medical Prescriptions

As of 8/1/16, Gold Creek Loop to Roaring Lion Road is a stage 2 evacuation and residents are not allowed back into this evacuated area due to fire danger.

Evacuees in this restricted area, who need medical prescriptions filled, can contact the Ravalli County Sheriff's Office non-emergency 911 phone line to obtain a case number to provide to their medical provider in an attempt to obtain an emergency prescription. Medical providers may contact the non-emergency 911 number to verify the affected evacuee's.

Evacuated residents needing to obtain an emergency medical prescription can call into the non-emergency phone number at 363-3033 for verification of property ownership. Dispatch will request verification information from the caller to confirm they reside in the evacuated areas where residents are not allowed to return to their residence.

If dispatch can verify the residential information, they will provide a case number that can be provided to medical providers. Special cases will be referred to a Ravalli County Sheriff's Office Deputy for verification purposes.
