Exhibit A

Establishment of the Ravalli County Airport Area Voluntary Zoning District development pattern and land use regulations.

Authority:

This district is enacted pursuant to and consistent with the requirements and authority of Section 76-2-101 and 76-2-205 MCA.

Purpose of the District:

It is the intent of the property owners of the Ravalli County Airport Area Voluntary Zoning District to protect the functionality of the Airport while creating an opportunity for an industrial area to utilize a targeted economic development district and accommodating appropriate development and growth.

Enforcement:

- (a) County Enforcement. The County shall enforce the provisions of this district.
- (b) Private Enforcement. A property owner within the district or anyone with standing may enforce the provisions of this district.
- (c) Effect of Non-enforcement. Failure to immediately enforce any of these provisions shall not in any event be construed or held to be a waiver thereof or consent to any further or succeeding breach or violation,

Variances:

(a) Generally: The Board of County Commissioners (BCC) may grant a variance from the strict application of any provision of this Code.

Amendments:

(b) Landowner Initiated: The County may amend the district boundary or any provision that applies to this district provided either sixty (60) percent of the landowners within said district submit a signed petition to the Board of County Commissioners.

(c) County Initiated: The County may amend the regulations and standards, or any other provision of the district when done in the context of a comprehensive plan revision.

The uses and standards that shall be permitted throughout the district follow in the "Rules".

Ravalli County Airport Area Voluntary Zoning District Comprehensive Development Plan and Pattern:

All land located in and owned by Ravalli County under the designation of the Ravalli County Airport shall be bound by the Rules and Regulations for the Airport as currently described in Resolution 2530, Dated March 31, 2010 and recorded as Document 629454. The Development Pattern for the Airport Property shall be subject to amendments to said Resolution 2530, and allowed under FAA rules and restrictions.

Procedures for Variance Requests

1. Applications for a variance to the Board of County Commissioners may be submitted by any person by filing an Application for Variance with the Ravalli County Planning Department. Fees shall be required to be paid by the applicant in the amounts established in a fee schedule adopted by the Ravalli County Commissioners.
2. The Application for Variance must identify the applicant, identify the property at issue, identify the owner of the property and explain the relationship between the applicant and owner (if different), describe the factual background and particulars of the variance requested, set forth the specific reasons for requesting the variance, and explain how the applicant believes the variance criteria set forth herein are satisfied. Applications for variances shall be reviewed by staff for completeness, and shall be returned to the applicant without further processing if determined not to meet the requirements of this section.
3. The Ravalli County Planning Department shall fix a reasonable time for the Board of County Commissioners hearing of the variance request.

4. The Ravalli County Planning Department shall publish two(2) notices, one (1) week apart in a newspaper of general County circulation, the first of which shall appear at least fifteen (15) days prior to the public hearing. The notice shall contain a brief description of the variance request; the location of the property; the date, time and place of the public hearing; and the statement that the application is on file for public inspection at the Planning Department.
5. The Ravalli County Planning Department shall send written notification of the variance request to the property owners according to the following procedures:
 - a. Mailing lists shall include all persons listed in the most current available data in County Records who own the subject property(s) and property in the Ravalli County Airport Area Voluntary Zoning District.
 - b. The mailing shall be made at least fifteen (15) days prior to the public hearing.
 - c. The notice shall contain a brief description of the nature of the application; the time, place and date of the public hearing; and the phone number and address of the Planning Department.
6. At the hearing any party may appear in person or be represented by an agent or attorney.

Requirements for Granting a Variance

1. To grant a variance the Board of County Commissioners must make findings that:
 - a. granting the variance will not be contrary to the public interest or injurious to the district; and
 - b. owing to special conditions, a literal enforcement of the provisions of these regulations will result in unnecessary hardship if the variance is not granted; and
 - c. the spirit of the regulations shall be observed and substantial justice done; and
 - d. the variance granted is the minimum variance that will make possible the reasonable use of the land, building or structure; and
 - e. the special conditions and circumstances do not result from the action of the applicant or prior owners of the parcel at issue.
2. Neither the permitted nor nonconforming use of other lands, structures or buildings in the jurisdiction is grounds for the issuance of a variance.
3. “Hardship” refers to circumstances peculiar to the particular property. Financial or economic difficulties or consequences of actions by the property owner are not “hardships” for variance purposes.

Severability. The provisions of these regulations are severable. If any provision or portion thereof is adjudged by a court of competent jurisdiction to be invalid, the decision shall not affect the validity of the remaining provisions, all of which shall remain in full force and effect.
