

Ravalli County Environmental Health Department Fee Schedule

The purpose of this publication is to establish a schedule of fees to be paid to the department for review of wastewater treatment systems, site evaluations, permits, certification of wastewater treatment system installers, variance requests, and other environmental and public health reviews, including but not limited to sanitation in subdivision review, groundwater monitoring, well permits, food inspections, and septage disposal site review. The fees are based on the average costs for review and may be reviewed and adjusted on a periodic basis. The following fees must be paid prior to the review and conducting the work by the department:

WASTEWATER TREATMENT SYSTEMS	
Site evaluation for new construction	\$200
Standard trench wastewater treatment system approved by state DEQ under the sanitation in subdivision regulations and replacement systems with nondegradation analysis completed	\$225
Standard trench wastewater treatment system without state approval, includes nondegradation analysis	\$325
Pressure-dosed and elevated sand mound review, does not include nondegradation analysis	\$300
Experimental and Other wastewater treatment systems with plan and specification review, and package plants (aerobic treatment, trickling filters, other manufacturer systems) , does not include nondegradation analysis	\$350, then \$50 per hour if review and research exceed 7 hours
Wastewater treatment system variance	\$200
Penalty fee for starting construction without wastewater treatment permit - Property Owner –(maximum penalty per day)	\$1000
Penalty fee for starting construction without wastewater treatment permit - Building Contractor/Excavation Contractor – (maximum penalty per day)	\$500
Reinspection of wastewater treatment system after it has failed the final inspection	\$100
Inspection of Septage Disposal Site	\$200

WELL PERMITS	
Well Permit	\$25
Penalty for drilling a well without a well permit	\$200

REVIEW and TESTS	
Nondegradation (both phosphorus and nitrate calculations)	\$100
Phosphorus Breakthrough Calculation	\$50
Nitrate Sensitivity Analysis	\$50
Radon Test Kit (short-term)	\$7
Radon Test Kit (long-term)	\$25
Water Sampling	\$35 per hour

Ravalli County Environmental Health Department Fee Schedule

<b>GROUNDWATER MONITORING</b>
