Camping will be assigned in the designated area of the **NORTH EAST** parking lot. Camping will be on a first come first serve basis – camping spots will not be assigned. Please be courteous to your neighbors and only reserve the space amount needed. Loud noise will not be allowed after 10PM, as many will have to rise early to care for their animals.

Parking permits will be distributed when applications and fees are received. If a group wishes to camp together, the first person in the party can stake off, or flag the amount of space needed. Please be courteous, we are hoping this new method of camping will enhance the communal aspect of the fair, that we all love so much.
