### RAVALLI COUNTY CORONAVIRUS INCIDENT MANAGEMENT TEAM UPDATE

Contact Dixie Dies - 406 -375-4067

4p.m. March 20, 2020... There are no reported cases of Coronavirus in Ravalli County.

The Governor's order this morning probably moved our County to a position we may have eventually gotten to ourselves, it was just faster.

We are working on a process to help people that should stay home get food and medications, and will let you know when that is completed.

There is not a lot of control we have over the virus, but we do have control over how we take care of ourselves. Frequently—wash your hands and wipe commonly touched surfaces including door knobs and outside play equipment, avoid touching your face, cover your coughs, etc. By now, we should have these precautions memorized.

We – the Incident Management Team and the County and City leaders – know this is going to be trying times – for all us, take care of each other.

Beginning tomorrow, Saturday, March 21, 2020, there will be one release a day.
