RAVALLI COUNTY COVID-19 INCIDENT MANAGEMENT TEAM UPDATE

Contact:

Public Information Officer, Dixie Dies, 406-375-4067

As of noon today, March 25 2020, there still just one reported case of COVID-19 in Ravalli County.

Yesterday, Tuesday, March 24, 2020, Governor Bullock's extended the Executive Order for the COVID-19 state of emergency.

The order added the requirement for:

“Non-essential and recreational gatherings of individuals outside of a home or place of residence of greater than 10 people are prohibited immediately, if a distance of a least 6ft between individuals cannot be maintained.

According to IC Calderwood, “Social/physical distancing is easy to implement. Don't be selfish, do it now. Tell your kids – of all ages. They aren't immune even when they are with their friends outdoors – at the skate park, playground, or forest outings. So far, distancing is the only measure we have to control the spread”.

Also, there are times when County to County orders may differ. Every County assesses what they think are the rights recommendations, practices, or direction for their public. We are no exception and are continually monitoring what is best for the health and safety of Ravalli County residents”.
