As of noon today, March 26 2020, there still just one reported case of COVID-19 in Ravalli County.

Ravalli County COVID-19 Incident Commander Dr. Carol Calderwood: “To help ensure the health and wellbeing of our county residents, returning international travelers must remain at home for 14 days and monitor their health for signs of fever, cough, and difficult breathing. Please call to report your travel details and contact information to a Public Health representative who will be available Monday – Friday, 8 a.m. to 5 p.m. We know that travelers coming in to Missoula are getting an information pamphlet about contacting their county Public Health office, but other airports may not have the information”.

Outside the EOC hours, please call the state health hotline at 888-333-0461.
