

Fast Action Motorsports

Start Your Engines!! Welcome to the Fast Action Motor Speedway! Our High Banked Oval Speedway is a sure crowd pleaser for any event. Race our stock cars, tough trucks, hot rods or tuners on this 24×16 Raceway. You have complete control! These cars are completely SLOTTLESS! Spin your competition to the wall, but look out because they may just take you out on the next turn. Competitions are exciting with our computerized lap counting system. Our r/c racing tournaments are just the attraction to get your event goers involved. As the racing begins, our professional announcer will explain the rules of the road, “happy hour” (practice) will start, and then the Real Race will begin. Drivers will qualify during a series of elimination races, trophies will be awarded until the final race and then the Grand Champion is determined. **CLIMB IN, SIT DOWN and LET’S GO RACING!!!** This full size NASCAR Style racing simulators is just the attraction for your next race themed event. As the driver is seated inside the car, spectators will gather and watch all the racing excitement on the Big Screen Pit Box monitor. You too can “Get a feel for what it’s like to be behind the Wheel!” The forced feedback steering, gas pedal and brakes give the driver the thrill and the adrenaline rush of racing action. Do you have what it takes to be the rear tire changer on a Pit Crew? Take the Pit Crew Tire Change Challenge today. Your challenge is to score the fastest time during the day or event and be eligible to win cash or prizes. There is NO heavy lifting. Simply pick up the Impact Wrench and the adrenaline will start to flow. Press the trigger and loosen all 5 lug nuts, pull the tire out and rotate it, place the tire back on the studs and tighten the lug nuts. Place the impact wrench in its holster and Your time will be recorded.

Horses, Mules & Donkeys in Harness

Come and enjoy watching the driving competitions of horses, mules and donkeys in harness in the main arena. There are several various classes of driving events: novice, youth and more experienced teamsters. There will be more than 20 drivers and various animals from mini to large draft, from driving single to multiple hitches, from the Bitterroot Valley & surrounding area. Classes include rail, obstacle, speed events and the ever popular feed race. These events are scheduled Wednesday & Thursday afternoons,
Come sit in the shade & watch!
