The Ravalli County Fair Board & the Rockin' RC Rodeo have teamed up with the Man Up Crusade® to bring "Purple Night" to the Rockin' RC Rodeo on **Friday, September 4, 2020**. The Man Up Crusade is a non-profit organization dedicated to creating public awareness on the issue of domestic violence. The Man Up Crusade chose professional rodeo and the Professional Rodeo Cowboys Association (PRCA) as its vehicle of choice to spread the word about the epidemic of domestic violence and teen dating violence. Across the nation, the color purple and the purple ribbon has been adopted to show support for victims and for advocates to honor those who have lost their lives at the hands of someone the once loved. On Purple Night all rodeo participants, fans and support personnel are encouraged to wear purple to show their support for this great cause.
