Board of Health Chairman Burrows opened the public hearing and announced due to the lack of physical space within the meeting room and social distancing requirements, this public hearing / first reading will be re-scheduled to a later date and at a location which will accommodate all.

Due to many in attendance, individual comments and names were not recorded.

BOH consensus: send the draft wastewater regulations back to the subcommittee.

Dr. Turner moved to adjourn the meeting at 2:36 PM. Seconded by Katie. All voted "aye" (4-0).
