## **RAVALLI COUNTY COVID-19 PUBLIC HEALTH UPDATE**

Hamilton, Mont. – Ravalli County Public Health is reporting **68 new positive COVID labs for Saturday with an additional 40 new positive COVID labs reported for Sunday. Ravalli County is reporting 725 open investigations of COVID-19.** Public Health is working 7 days a week to contact families with diagnosed illness to determine isolation and quarantine dates.

**It is with regret that we inform the county of 3 additional deaths from the weekend.**

- A male in his 90's.
- A male in his 70's
- A male in his 50's.

Our heartfelt condolences go out to their families. These are unprecedented times and a loss of a family member or community member, regardless of age, brings a painful impact to bear on all that knew them. Public Health reminds residents, that our actions make a difference.

- Wear a mask when in public
- Maintain the 6' distance
- Keep your cohort circle small
- Frequently wash your hands and use hand sanitizer when washing is not available

**Be aware that none of the guidelines on their own offers 100% protection against infection.**

Thank you, Ravalli County, for the choices you make and the support you provide each other. Together we are stronger.
