

**FOR IMMEDIATE RELEASE: 12/02/20**

## **RAVALLI COUNTY COVID-19 PUBLIC HEALTH UPDATE**

**Hamilton, Mont. – Ravalli County Public Health had a total 39 new cases reported for Tuesday 12/2/20. Ravalli County Public Health staff have continued to work towards accurate case counts. As of 2pm today public health has 601 open investigations.**

Public Health has completed the online system for reporting positive cases and receiving isolation letters. If you have been diagnosed with COVID-19 and have not received a call from Public Health, instructions can be found on our county website @ <https://ravalli.us/>. Just click on the black COVID bar located at the top of the page. The document entitled “COVID-19 intake form” is a fillable PDF designed to help residents receive timely information and isolation letters. Instructions on how to fill out the PDF can be found on our website, titled “COVID-19 Instructions”. Instructions on how to isolate and what to do if you are a close contact can be found on this page as well, titled “Isolation Instructions” and “Close Contact Instructions”.

If you have recovered from COVID-19 and need a release of isolation. Please submit a request to: [release@rc.mt.gov](mailto:release@rc.mt.gov).

Public Health director, Tiffany Webber, would like to thank Mayor Dominique Farrenkopf and the Hamilton city council for their support of public health and their proactive role in developing COVID-19 response plans. Thank you for your mission.

*The Mission of the City of Hamilton is to provide for the public health and safety and promote the economic prosperity and environmental well-being of its citizens.*
