**RAVALLI COUNTY COVID-19 Update
PUBLIC HEALTH**

Hamilton, Mont. – Ravalli County Public Health is reporting 18 new cases for the weekend 2/6 through 2/8. An additional 6 cases were reported this morning. County health has 89 open cases as of 4pm this afternoon. We encourage residents to continue to follow the guidance, Wash your hands, Wear your mask and Watch your distance. Keep your cohort groups small and stay home if you are sick.

Ravalli County Public Health continues to receive limited numbers of vaccine. Public Health received 100 doses of Moderna this week. Those doses were shared with Sapphire Community Clinic. Residents previously scheduled for appointments this week should report to the Annex on the corner of 3rd and State street for your scheduled appointment time.

Public Health continues to encourage residents interested in receiving vaccination with Ravalli County Public Health to please visit us @ <https://ravalli.us/645/Vaccine-NOI-Registration>. Please submit your request to the appropriate “Phase” category. Public Health will begin to contact registered residents interested in vaccine the week of February 15th to schedule appointments for the week of February 22nd. Thank you for your patience.
