

FOR IMMEDIATE RELEASE: 2/17/2021

**RAVALLI COUNTY COVID-19 Update
PUBLIC HEALTH
Case Counts and Vaccine**

Hamilton, Mont. – Ravalli County Public Health is reporting 15 cases for 2/15 and 2/16 with 64 open cases as of 4pm.

We encourage residents to continue to follow the guidance, Wash your hands, Wear your mask and Watch your distance. Keep your cohort groups small and stay home if you are sick.

Public Health is waiting for this week's shipment of Moderna vaccine that is allocated for next week's appointments. Montanan Department of Health and Human Services has indicated that shipments are delayed due to weather conditions. Public Health is expecting about 300 doses with 100 doses going to Bitterroot Drug.

Public Health continues to encourage residents interested in receiving vaccination with Ravalli County Public Health to please visit us @ <https://ravalli.us/645/Vaccine-NOI-Registration>. Please submit your request to the appropriate "Phase" category. Public Health will begin to contact registered residents by phone to schedule appointments. **Please be aware that the Public Health office has an unusual 802-prefix phone number due to the Skype system used at the county office.**
