## **Come check out the new 4-H Dog Arena!**

Come visit the 4-H Dog Arena located between the North Arena and Main Event Arena. 4-H Dog Project offers five disciplines for the kids to explore with their dogs:

- \* Canine Freestyle (Dancing with Dogs) \* Agility \* Rally Obedience \*
- \* Obedience \* Showmanship \*

Our new arena location offers the perfect place for the kids to work with their dogs; they can compete as well as show off their skills. Competitions for Dog Project all take place prior to Fair Week. During the Fair, 4-H Dog participants demonstrate their skills throughout the week in the Arena. Check out the events schedule in the Premium Book for demonstration times.
