

FOR IMMEDIATE RELEASE: 1/28/2022

RAVALLI COUNTY COVID-19 PUBLIC HEALTH UPDATE

Hamilton, Mont.... Ravalli County has received its first shipment COVID-19 test kits from Montana Department of Health and Human Services. Kits will be processed and delivered to 5 participating locations in the valley. It's important to note, Ravalli County Public Health will not be among the distribution sites. Public Health will continue to utilize the county office for vaccination services. Below are the locations at times of operation where home tests can be collected.

- Ravalli Family Medicine: 411 West Main Street Hamilton
Monday through Friday 9am to 4pm.
- Bitterroot Valley Urgent Care: 1230 North First Street Hamilton
Monday, Friday 9am to 4pm Saturday & Sunday 10am to 2pm
- Bitterroot Health Convenient Care location 1200 Westwood Drive Hamilton
Monday through Sunday 7am to 6pm
- Lifespan Family Medicine: 715 Main Street Stevensville
Monday through Friday 9am to 4pm
- Florence Family Medicine: 5549 Old Highway 99 Florence
Monday through Friday 9am to 4pm

Public Health is hoping to have the kits distributed to participating locations by Monday January 31st. Some kits have been delivered to Bitterroot Health Convenient Care and will be available this weekend. For additional sites please visit the state website at <http://hometest.mt.gov/>. Residents with questions in Ravalli County can email public health at rcpublichealth@rc.mt.gov. Public Health would like to thank those participating locations for their dedication to the health and safety of community and supporting the public health motto to Prevent, Promote and Protect.
